Announcements:

Meeting called to order by Rick H. at 7:40pm

Club members welcomed Pam K. back.

Club members welcomed Sue Song, joining the Columbia Rotary Club. Fred A. introduced Sue Song stating Sue's willingness to commit to the objectives of Rotary. Induction of Sue by former District Governor, Jim M.

Sue talked about her interest in Rotary and how members of Rotary fit in her role in Human Services as a Nurse Practitioner. Sue is President of the Korean American Association and on the Board of Directors, Howard County General Hospital. Sue has played significant leadership roles in numerous nonprofit organizations and hospitals.

New Business:

Rick communicated that an exchange student's house was robbed, which included \$250 and some belongings. Since the money had already been raised, the exchange student requested additional dollars collected be donated to American Foreign Students Exchange Student Program. Rick requested opinions from the members; club members agreed this was not appropriate.

Rick mentioned the Mini Health Submit on Saturday, October 18 from 8am – 12N with the Data Base Training from 12N – 2pm. Program is being held at the Ramada Inn, BWI. Rick will be attending and stated that the Database Training would be helpful to the Secretary and Assistant Secretary.

Mimi M. sent around a signup sheet requesting members sign up to deliver dictionaries.

Rotary section in the Business Monthly is out; great job by Becky.

Speaker:**Classification Talk:**

Fred introduced Lloyd; he and Lloyd met in February 1983 during a snowfall. Their cars got stuck, and they met at the Columbia Sheraton (Columbia Inn at that time). The two remained in contact over the years.

Lloyd gave a very interesting talk about his background. We learned that Lloyd and wife have seven grandchildren. He went on to talk about the many jobs he had growing up, delivered papers, delivered milk, became a paper hanger, sold hot dogs and drinks at baseball games, etc. He went on to talk about his parents.

Lloyd received a football scholarship, received a degree in Engineering and a Masters Degree in Finance from Harvard. He served in active duty in Germany in the early '60's. He later worked for Exxon Mobile in a number of positions, and afterward owned several Exxon Stations in Columbia. More recently, he created a Finance Program for High School Seniors to teach them fiscal responsibility.

When asked why he chose to join Rotary, Lloyd stated that he wanted to get involved in the community and world activities Rotary is known for.

Rotary Four-Way Test

From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world's most widely printed and quoted statements of business ethics is The Four-Way Test, which was created in 1932 by Rotarian Herbert J. Taylor (who later served as RI president) when he was asked to take charge of a company that was facing bankruptcy.

This 24 word test for employees to follow in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy. Adopted by Rotary in 1943, The Four-Way Test has been translated into more than a hundred languages and published in thousands of ways. It asks the following four questions:

“Of the things we think, say, or do:

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS**
- 4. Will it be BENEFICIAL to all concerned?”**
